– Sample Application –

1. Go to **AdoptAClassroom.org** and click "Register a Classroom" to enter your name, email, zip code, and select your school.

2. Explain why you want your students to have Bouncy Bands in your class. Ex. My students are active learners! They love to move and Bouncy Bands allow them to do so whenever they need to get their wiggles out without disturbing others. Bouncy Bands allow students to move when they need to release their extra energy, anxiety and frustration in class.

3. Add your photo so donors will recognize you.

4. Agree to the terms, complete your registration and confirm your email.

5. Login to your account to upload your own video or use this one: https://youtu.be/sbcZetpZRIw

6. You can add the Bouncy Bands logo and additional photos of students at the following link: http://BouncyBands.com/DC [Optional]

7. Email your AdoptAClassroom.org link to your class fundraiser page to parents and post on your Facebook page.

8. Provide weekly updates to track your progress. [Optional]
